Back by Popular Demand

Care and Maintenance of Your Home Sewage Treatment System

This popular and informative presentation by Steve Mazak from the Medina County Sanitary Engineers Office will take place on April 14, 2011 at 7:00 pm in the Hinckley Township Administration Building meeting room. Learn how to care for and maintain your rural septic system to prevent costly repairs and maintain proper storm water quality.

Hosted by the Hinckley Township Storm Water and Management Coordinator. For more information contact the township office at 3300.278.2071 during regular business hours.
